

US All Communities Network Metrics Comparison Report

João Melga

September 12, 2025

Report with same graphs presented on the thesis for community 2 but now showing communities 0 and 1 as well. In addition, community 0 and 2 bipartite networks visualization (built with Gephi) were added.

Nestedness Evolution Analysis - All Target Communities

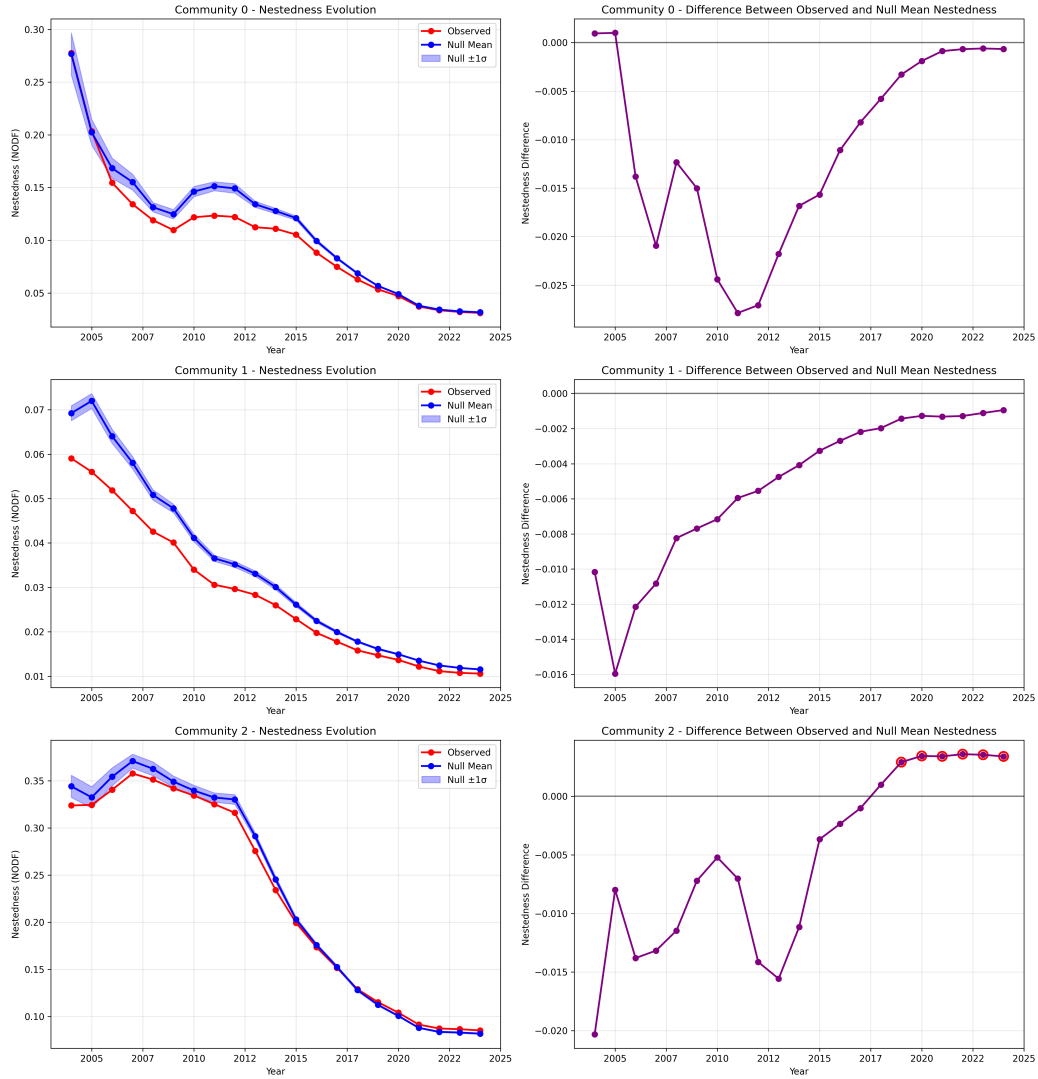

Figure 1: Nestedness evolution across all communities.

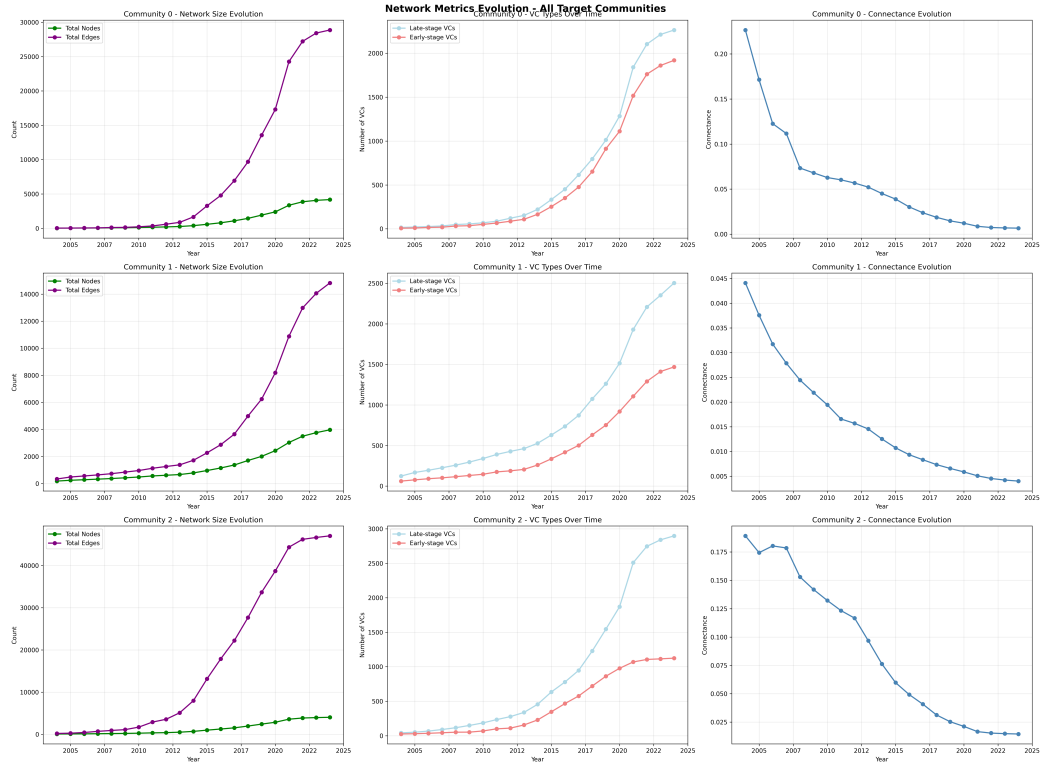

Figure 2: Network metrics evolution across all communities.

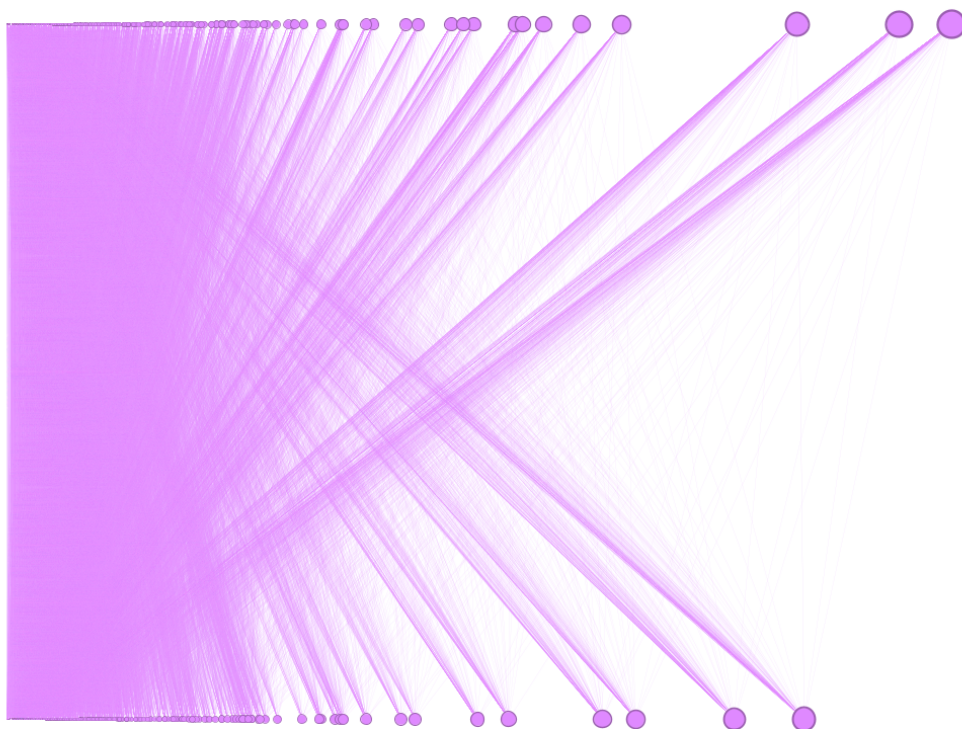

Figure 3: Community 0 - All bipartite network visualization.

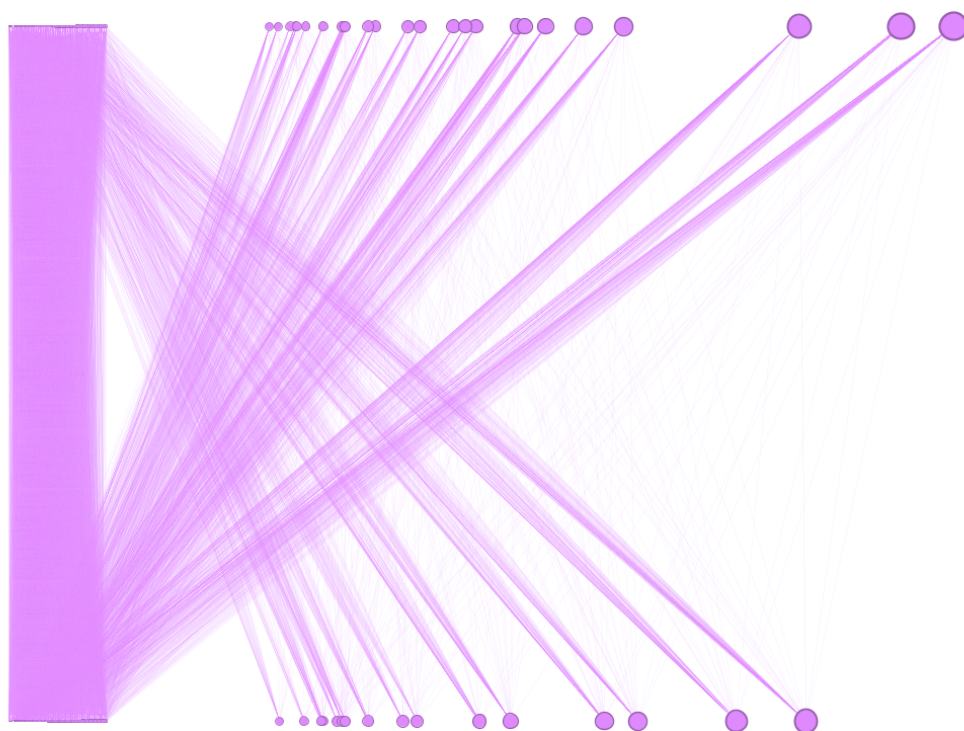

Figure 4: Community 0 - Percentile bipartite network visualization.

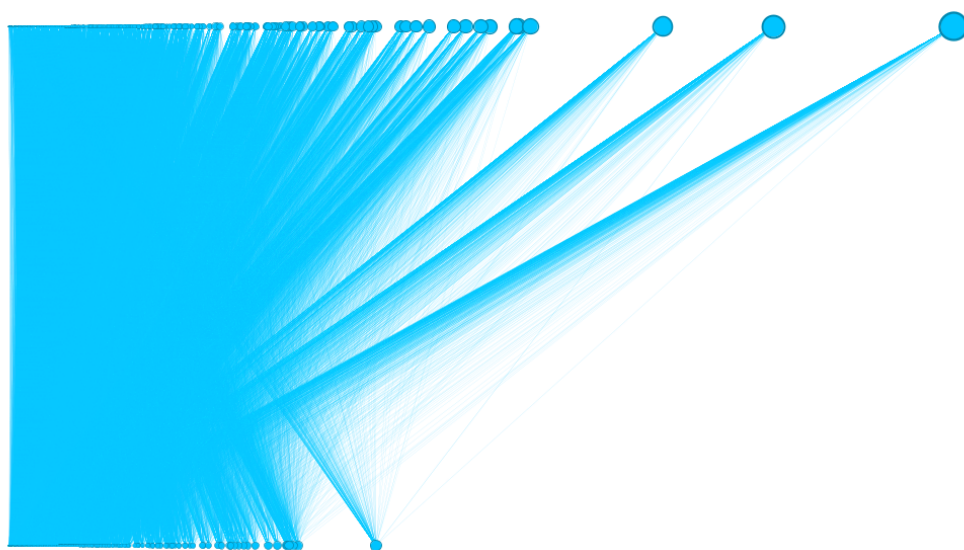

Figure 5: Community 2 - All bipartite network visualization.

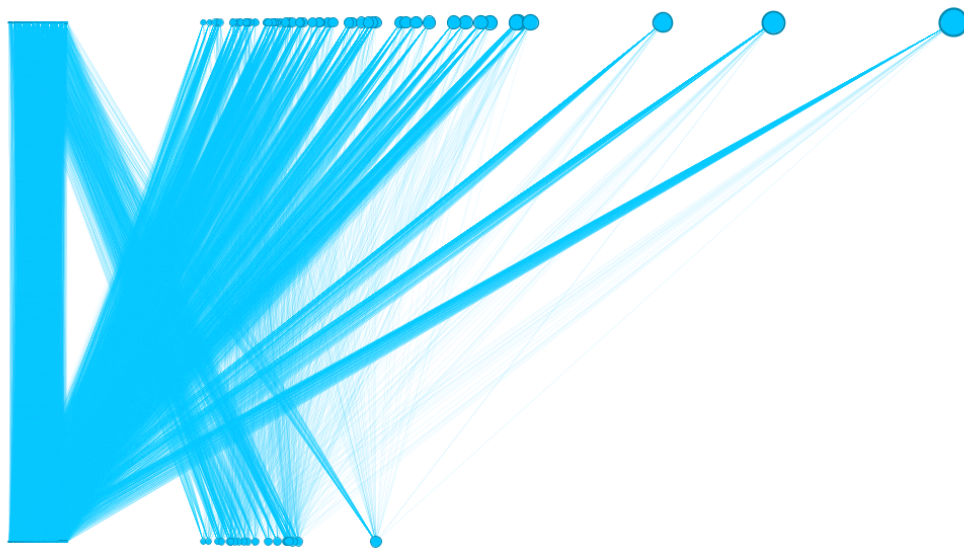

Figure 6: Community 2 - Percentile bipartite network visualization.
